(HARVEST FOUR CORNERS) FOR AN AIR
QUALITY PERMIT, NO. P168R4 (TITLE V)
PETITIONER.**

AQB 21-43

SCHEDULING ORDER

WHEREAS, in response to the finding of significant public interest and subsequent approval of the Request for Public Hearing Determination filed on June 9, 2021, and the appointment of a Hearing Officer with the duties and powers outlined under 20.1.4 NMAC, and following the July 7, 2021 virtual scheduling conference attended by the parties, and being otherwise fully advised in the premises;

IT IS HEREBY ORDERED THAT:

1. Public Hearing: the public hearing in this matter shall be held virtually via the WebEx platform on November 15, 2021 beginning at 9am and will continue on consecutive days. In the event the Hearing Officer orders the public hearing to be held in-person, a subsequent order shall follow.
2. Statements of Intent (SOI): any person who intends to present technical evidence or testimony at the public hearing must pre-file full written testimony and exhibits with the Hearing Clerk on or before November 01, 2021, and serve an electronic copy of the foregoing on all other parties. At the hearing, a party

may call their witnesses to present a 15-minute summary of their pre-filed testimony, adopt their written testimony under oath, and stand for cross examination. Witnesses will have additional time to present rebuttal testimony. Technical evidence or testimony means scientific, engineering, economic or other specialized evidence or testimony. It does not mean legal argument, general comments or statements of policy. Every SOI must identify the person filing the statement; identify each witness, including name, affiliation, education and work background; include the testimony of each witness in full narrative fashion, particularly any opinion to be offered by each witness and an explanation of the basis for the opinion; include technical materials relied upon by each witness in forming opinions; estimate the length of each witness' presentation; identify all exhibits that are part of the administrative record maintained by the Bureau and attach a copy of any exhibit not in the administrative record. All Exhibits must be properly marked to be accepted including the party name and exhibit number on the top or bottom of the exhibit and include consecutively numbered pages. Failure to file a timely and complete SOI will preclude a person from presenting technical evidence or testimony sought to be offered.

3. General Public Comment: the Hearing Officer will accept non-technical or general public comment either in writing or verbally. Members of the public who wish to provide general comment are encouraged to submit their comments in writing to Madai Corral (Madai.Corral@state.nm.us) either before or during the hearing. Verbal general comment will be accepted on November 15, 2021. Public members will have up to five (5) minutes to offer general

comment. Public commenters may offer verbal comment once during the hearing; written comment is unlimited.

4. Notice of Public Hearing: the Bureau shall prepare and send the necessary public notice for the hearing in English and Spanish no later than thirty (30) days prior to the public hearing pursuant to 20.1.4.200.C NMAC.
5. Governing Rules: the hearing will be governed by 20.1.4.400 NMAC.
6. Accommodations: the Bureau shall provide a way for those who wish to participate in the hearing in Spanish to do so, and for those who are hearing-impaired and wish to participate in the hearing to do so.
7. Administrative Record: shall be forwarded to the Hearing Clerk no later than the date of the hearing.
